

China – Stratigraphy, Paleogeography and Tectonics

Arthur A. Meyerhoff

*International Geological Consultant,
Tulsa, Oklahoma, U.S.A.*

Maurice Kamen-Kaye

*Consulting Geologist, Cambridge,
Massachusetts, U.S.A.*

Chin Chen

*Graduate Program of Oceanography and Limnology,
Western Connecticut State University, Danbury,
Connecticut, U.S.A.*

and

Irfan Taner

*Consulting Geologist, Tulsa,
Oklahoma, U.S.A.*

KLUWER ACADEMIC PUBLISHERS

DORDRECHT / BOSTON / LONDON

Table of Contents

Preface	ix	Mixed Faunas	43
Acknowledgements	xi	Devonian System	43
Chapter I. INTRODUCTION	1	Distribution and Facies	43
Physical Geography	2	Type Sections	46
Chapter II. STRATIGRAPHY AND PALEONTOLOGY	7	Paleoecology and Paleogeography	48
Introduction	7	Carboniferous System	48
Sources	7	Distribution and Facies	49
Symbols	8	Lower Carboniferous:	49
Pre-Sinian	8	Distribution and Facies	49
General (Tables II-2 and II-3)	8	Middle Carboniferous:	51
Distribution	10	Distribution and Facies	51
Definition of Pre-Sinian	11	Upper Carboniferous:	54
Type Section	11	Distribution and Facies	54
Magmatic Activity	15	Type Sections	55
Sinian	16	Paleoecology and Paleogeography	59
Distribution and Facies	18	Permian System	60
Magmatic Activity	21	Distribution and Facies	60
Paleozoic	21	Type Sections	66
General	21	Paleoecology-Paleogeography	67
Faunal Zones	23	Magmatism	68
Cambrian System	23	Mesozoic	69
Distribution and Facies	23	General Stratigraphy	69
Type Sections	28	General Tectonic Pattern	69
Paleoecology and Paleogeography	29	Mesozoic Floral Groups	69
Ordovician System	32	Triassic System	70
Distribution and Facies	32	Distribution and Facies	71
Type Sections	33	Type Sections	75
Faunal Boundaries	35	Paleoecology and Paleogeography	77
Paleoecology and Paleogeography	35	Jurassic System	79
Silurian System	38	Distribution and Facies	79
Distribution	38	Type Sections	82
Facies	38	Paleoecology, Paleogeography,	
Type Section	39	and Magmatism	85
Distribution, Paleoecology and		Cretaceous System	88
Paleogeography	39	Distribution and Facies	88
Biogeographic Realms	42	Type Sections	91
Boreal Realm	42	Paleoecology, Paleogeography,	
Tethyan Realm	42	and Magmatism	91
Australo-Pacific Realm	43	Cenozoic	97
		Tertiary System	97
		Distribution	97
		Type Sections	103

VIII TABLE OF CONTENTS

Paleoecology, Paleogeography, and Magmatism	105	Chapter III. TECTONICS AND STRUCTURE OF CHINA	
Overview of Jurassic Through Pliocene History, Eastern China	107	Introduction	115
Quaternary System	107	Geosynclines and Geotectonic Cycles	115
Distribution	108	Tectonic and Structural History: Resume	115
Type Sections	109	Mesozoic-Cenozoic	128
Paleoecology, Paleogeography, and Magmatism	111	Bibliography	153
		Subject Index	185
